

THE YARNSMITH OF NORWICH

ON THE ROAD

Saturday October 10th 1.30pm

What better to make the road shorter, and the miles pass by faster, than a tale or two (or three or four, or even more) from **Dave Tonge**, the Yarnsmith?

AT THE INN

Saturday
October 5th 3pm

And when, at last, you get to the inn, you need a *different* set of tales to give spice to your food, and help your drink down – tales which anyone and everyone can listen to and enjoy! **Dave Tonge** shakes off the dust of the road, settles down, and amuses you again! (Which table would you rather be on?)
